

Garden Club News

From Kathy Schrader, President

Spring is in the air! The Garden Club has been busy over the winter planning exciting programs and field trips.

On Friday, May 12th, we will be visiting the Blooming Grove flower auction in Shiloh, Ohio, leaving PIB on the 8 a.m. ferry. Also, we will be visiting Lu-Ray Greenhouse, where you can purchase herbs, vegetables and bedding plants. Lunch will follow at the Planktown Country Market. Then off to Shiloh Market and hardware store. We will finish the day at Wayne and Cathy Weber's Farm (PIB residents) for homemade raspberry ice cream. They sell vacuumed packed meat for purchase if you are interested. Please contact Jody Frimel at (440) 320-6473 so we can help with carpooling. Come for some, or come for all. Maps will be provided.

Membership renewal forms will be emailed beginning April 1st. If you are not a member, please consider joining. Checks can be mailed to PIBGC P.O. Box 815, PIB, OH 43456.

Flower Basket planting will take place on May 16th and 17th. Please contact Val Chornyak if you are interested in helping out. We are in the process of replacing our worn-out golf cart. Thank you, Candy Baker, for making this happen. If interested in watering this year, please contact Barb/Doug Mehling at (419) 285-5792.
